

# ***Airport Operations Report for April 2018***

## ***Template 123***

- 1) Still awaiting equipment repair date from Van Ert Electric.
- 2) Three complete airport plows with three phase plows (billable) in April.
- 3) Continuous airport clean up plows.
- 4) Phase 1, hangar 5 incurred two damaged hangar door panels from plowing ops.
- 5) Courtesy car back in service.
- 6) I've talked to all phase presidents and some phase members in the know. At this time nothing for sale or rent.
- 7) Red truck heater/ defroster blower problems. Marthaler for truck repair. Heater blower and a speedometer that only reads (0). Boss plow repaired next month.
- 8) I've heard nothing yet about GCO. They still can't figure out who owns it.
- 9) Just for the record , asphalt cracking all over. Took John for a ride in the red truck so He could see cracking for himself. Cracks don't get better, just bigger.
