

MANITOWISH WATERS ROAD DEPARTMENT

January 3, 2019

DECEMBER ROAD REPORT

Somewhat of a subdued December month that had lacked snow with rain thrown in replacing what should have been "White Gold". It did turn out to be an opportune time to deplete our vacation times.

Winter road procedures for the month: PLOWINGS (3)
SCRAPINGS (2)
SANDINGS (2)

The missing/stolen road name signs of Tower, Deer Path, and Deer Park signs have been replaced.

The snowmobile crossing signs were installed on 12/12.

At the Transfer Station a defective utility/yard light was replaced.

There were no major mechanical breakdowns for the month.

Jerry Blach
