Chair Sleight read into the record the legal notice as posted May 21, 2019 and published as two insertions in the Lakeland Times.

Sleight called for testimony. The project was introduced by Zoning Administrator Thiessen. Applicant wishes to construct a 26x36 garage near the middle of the lot. It will be 50 feet or more from the lot lines, and will be the 3<sup>rd</sup> building upon the lot. Corban Klug stated that the siding will be half-log siding to match the house. Roof will be metal. Mary Propernick inquired if this is to be a garage, with no living quarters. Corban Klug answered in the affirmative. Rich Hawkinson stated that they will be moving north, and as full time residents will require more storage space.

Hoehn stated that the zoning department did not receive any calls, emails, or correspondence concerning this application.

Sleight called three times for further accessory. None given.

Chair Sleight declared the hearings closed at 7:14 P.M.
