

Airport Operations Report: Mar. 2020

- 1) Minimal snow plowing efforts in effect. No hangar plows.
- 2) The Overflow Alarm Box still remains outstanding for repair. Inoperable.
- 3) **AWOS Station:** System operational with temperatures above zero.
- 4) Maintenance on e-gate.
Adjusted limit switches, cleaned connectors for road sensors.
- 5) Posted FAA signs concerning Corona Virus precautions.
- 6) Closed terminal to general public per Town Chairman.
Posted Closed Signs and Contact info for Airport, Town Planning, and Comm. Center.
- 7) Ordered 2 blue runway marker lights.
One light was damaged during blowing operations with in climate weather conditions.

The other stopped working from moisture contamination due to a poorly installed lens seal. Light lens was found missing a lock down bracket. Bracket screws barely holding edge of lens.
