

# Airport Operations Report: April 2020 Corr. (5/11/20)

- 1) Minimal snow plowing efforts in effect.
- 2) **AWOS Station:** System operational with temperatures above zero. No work planned to correct issue.
- 3) Terminal and offices in lockdown to public all month due to coronavirus protection.
- 4) Opened grass runway on 4/23.
- 5) Maintenance on e-gate.  
Summer Prep: Unplugged heater, checked belts, and lubricated drive chain.
- 6) Repaired damaged lawn from winter plowing efforts.
- 7) Summer preparation on Apron. Removed auxiliary power cords, and installed tie down ropes.
- 8) 2 blue runway marker lights on order have not arrived yet. All other lights are operational.
- 9) Red plow truck still has a major issue. Even w/o 4x4 disengaged, noise is noticed during operation. Suspect a broken drive shaft and/or front differential problem. This was reported on an earlier operations report.
