

# Airport Operations Report: May 2020

- 1) Mowing operations in effect.
- 2) General maintenance on zero turn mower.  
Changed oil & filter. Changed air filter.  
Replaced dead battery and installed new blades.  
Calibrated control arms and greased unit.
- 3) General maintenance on fine cut mower.  
Sharpened and balanced blades.  
Cleaned and repacked tire bearings.  
Replaced a badly worn tire.  
Greased unit.
- 4) General maintenance on tractor.  
Oil & filter change. Air filter change.  
Greased unit.
- 5) General maintenance on red dump truck.  
Oil & filter change. Air filter change.
- 6) Wild birds and animals observed on and near the runways have been minimal this Spring.  
Much less than last years observations.
- 7) Sharon Diver came aboard to provide assistance/backup to the airport.  
Quick learner. Started her on the zero turn mower, weather and security checks the first week. Slowly breaking her on the tractor during the second week.  
Ongoing training with safety as Sharon is taking on more duties. Notam system is one of the next items in the office.
- 8) The 2 blue runway marker lights on order have finally arrived, and were installed. All lights operational.
- 9) Red plow truck was dropped off for service. A broken axle was known before servicing.  
Possible bearing issue/change may be required.
- 10) Flushed and started sprinkler system. Checked and verified that all zones were operational.
- 11) Replaced worn and tattered Windssock. Greased bearings.

# Airport Operations Report: May 2020

## 100LL :

Fuel Pump Odometer. Current: 176628.3  
Previous: 175737.2  
891.1 gal.  
QTPOD sales: 891.048 gal

Current fuel price is: **\$4.79/ gal.**  
Approximately **8264 gallons** on hand.

May '20 Fuel sales: **891.048 gal.** for **\$4268.11**  
YTD '20 Fuel sales: **1620.125 gal.** for **\$7760.39**

**Note:** When an 264 additional gallons minimum are sold, there will be room to purchase a ½ load of 100LL (4000 gal.) Current price is 2.9252/gal.  
This would help pilots get a better price while the airport would still make a profit on sales.

## Diesel:

Fuel Pump Odometer. Current: 77825.7  
Previous: 77580.0  
245.7 gal.
