MANITOWISH WATERS PLANNING COMMISSION
Cupertino CUP Public Hearing Minutes
August 4, 2020
Manitowish Waters Community Center

Planning Commission Chair Dan Sleight called the hearing to order at 7:05 P.M.

Commissioners Present: Robert Becker, Vince Hoehn, Dan Sleight, Mike Kramer, John Hanson
Also present: Zoning Administrator Tom Thiessen
Absent: Dan Johns, Jr

Public Visitors: Gary Schwenn, Jackie Quinlevan, John C Horter, Randy Meffert, Laura Meffert, Louis J Wroblewski

Chair Sleight read into the record the legal notice as posted July 17, 2020 and published as two insertions in the Lakeland Times.

Sleight called for testimony. Zoning Administrator Thiessen stated that this had been a vacant lot on Rest Lake; permits for a home and a boathouse have been granted, and the owner desires to build a third building, a garage, at the rear of the lot.

Gary Schwenn of Shiloh Construction testified that there will be no attached garage to the house due to fact that the lay of the land would make it difficult to access. All three buildings will have the same wood siding. The fire number and the UDC permits have been issued.

Hoehn reported that the zoning office had received one phone call from a neighbor for information on the location of the garage, but no comments beyond that.

Sleight called three times for further accessory. None given.

Chair Sleight declared the hearing closed at 7:09 P.M.
